If you love us, then why are you letting us suffer?

It's the way you chose. You trusted the ways of the nations instead of me. I hope it will teach you.

Haven't you had enough of the solutions that you would create?

2 Timothy 3:16

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness...

The Bible among the Myths: Unique Revelation or Just Ancient Literature?

Ultimately, the unique worldview of the Old Testament undergirds its claims of historical reliability. When we ask the Israelites where they came up with these fantastic concepts, they tell us they did not “come up” with them. They tell us that God broke in upon their lives and dragged them kicking and screaming into these understandings. They tell us that they did their best to get away from him, but that he would not let them go. He kept obtruding himself into their lives in the most uncomfortable ways. If that report is not true, we are at a loss to explain where the fundamentally different understandings of life in the Old Testament came from.
